### Presidential Memorial Certificate

This White House program was begun by John F. Kennedy in 1962 and continued by every President since then. Every Veteran’s family is entitled to one or more of these beautiful commemorative Certificates suitable for framing. To see a sample Certificate and for information on how to obtain one from the National Cemetery Administration, contact us.

### Daily Drawing

**1-\$200 Savings Certificate to be given each day**

(Toward the purchase of cleaning a monument or marker)

Drop the coupon in the box as you exit

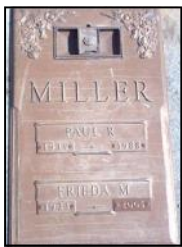

*You do not have to be present to win!*

### New Free Veteran’s Marker Law

Public Law 107-103—Ever since Lincoln said “No veteran will lie in an unmarked grave,” the V.A. has made free government markers available for eligible Veterans. Now, for deaths after 9/11/2001, Congress has expanded this to include both unmarked graves **and for graves with private markers or monuments.** Contact us for more information

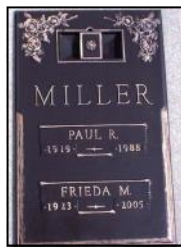

### Monument Cleaning

Woodland can give you a cost estimate to clean your granite or bronze memorial. Call for details.

## “Limited Edition” Upright Monument Design Approved for Sections 123 and 305

In response to Lot Owner requests, Woodland has approved a specially designed **upright** single or double size monument for installation in Section 123 and 305. In order to offer these monuments at the lowest possible price, orders will be taken all year, with new foundations and installation each Spring. Selection is limited **only** to the design shown, in either polished Gray or Black. Etchings on the polished Black granite can be done for an extra charge. A \$100 trade-in allowance will be given for any flat marker already in place. It is our belief that we can enhance the appearance of these sections significantly by offering this exclusive design at prices considerably below market value. Tents are set up and manned in each Section, or see our Family Service Staff for details. Order deadline for Spring 2008 installation is November 30, 2007.

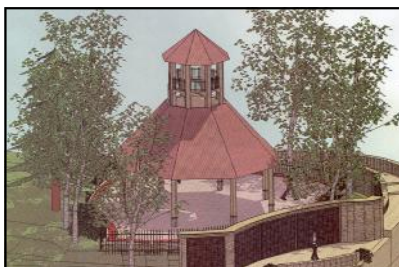

Section 123

Section 305

## 2 New Developments Planned

Plans to develop the Lookout into both a Niche Wall and a Gathering Plaza overlooking the City are developing nicely. The “Tower” replicates the tower featured on the Lookout in 1800’s!

Lookout Tower

The designs for a Scattering Garden and Ossuary next to our Chapel Mausoleum are nearing completion as well.

Scattering Garden and Ossuary

Once both are approved the scheduled completion dates are Fall 2008!

## 5 Year Restoration Program

Woodland Cemetery, at it’s own expense has scheduled every section for summer restoration, straightening and foundation repair. The sections scheduled for this year and next year are as follows:

Summer 07’	Summer 08’
123 (In-Progress)	104
305	106
125	117
107	105
Civil War: 201 (In-Progress)	110

Please call if you were thinking of any foundation, memorial or vase changes on your lot.

## Anniversary Flowers

Woodland will deliver flowers to your loved one’s grave on the dates you specify. Call for details.

## Website: New “Products and Services” Section

Many new Products and Services are now featured on [www.woodlandcemetery.org](http://www.woodlandcemetery.org). Our 104,000 Record Interment Database is accessible as well.

*If you forget to drop this in the collection box,  
place in envelope and mail to:*
